

# WALKER 1.0

The Walker 1.0™ magnetic stripe reader is a rugged and compact payment acceptance device that utilizes AnywhereCommerce's patented audio jack technology. With AprivaPay Plus and Walker 1.0, merchants can transform their smartphones, tablets, and PCs into highly-secure, fully-functioning mPOS solutions.

This MSR is best suited for merchants who wish to expand their ability to process card-present transactions, lower payment acceptance costs, minimize PCI scope, and reduce their overall risk profile.

- + Meets EMV standards, enabling merchants to accept EMV-compliant Chip & Signature payments, as well as magstripe payments
- + Is EMV Level 1 and Level 2 certified, Certified Visa Ready, plus MasterCard MPOS- and Amex-enabled
- + Maintains robust security with encryption technology that ensures secure and reliable operation in mPOS applications
- + Offers flexibility thanks to Apriva's support for several payment processors and Walker's compatibility with Android and iOS operating systems

## SUPPORTED TRANSACTION TYPES

- + MSR credit
- + MSR debit
- + EMV contact signature credit
- + EMV contact signature debit

Contact your Apriva Account Representative, POS Portal, or TPG for procurement details.

## WALKER 1.0 PRODUCT SPECIFICATIONS

### Color

Black/Gray

### Dimensions

Height: 52 mm

Width: 61 mm

Length: 17 mm

Weight: 40 grams

### Interface

2 LED indicators for battery status

### Power

USB or internal rechargeable

Lithium ion battery 120 mAH, 3.7V

### Communication Ports

USB and 4 poles

3.5mm audio jack

### Key Management

DUKPT

### Encryption Algorithm

TDES, AES

### Certifications

EMV Level 1, EMV Level 2, FCC,

CE, Visa Ready, MasterCard MPOS,

Amex Enabled

### Card Reader

Dual track ( track 1,2 ) Magnetic Strip Reader

EMV chip card reader

### Environment

Operating temperature: 0°C – 55°C ( 32°F – 131°F )

Operating humidity: Maximum 95%

Storage temperature: -30°C – 70°C ( -22°F – 158°F )

Storage humidity: Maximum 95%

### Software Support

Android, iOS, Windows Phone, Windows

Store, Windows PC, Blackberry

### Operating life

300,000 cycles minimum

### Warranty

6 months
