

Apriva is proud to announce that AprivaPay Plus now has a Virtual Terminal web-based companion. This web-based Terminal is integrated with the Merchant Portal and is available to all AprivaPay Plus users.

### **Process Mail Order & Telephone Sales**

Now, your merchants can accept more transaction types than ever before including MOTO/mail order, telephone-based sales or customer invoices.

### **Easily Send Receipts**

Virtual terminal sales processed via Merchant Portal are integrated with our receipt delivery service allowing receipts to be sent to consumers.

### **Issue Refunds**

Business owners are able to quickly and easily issue refunds on any virtual terminal sale.

### **Tax Reporting Tools**

Sales also integrate with the tax reporting tools and are exportable in transaction reports within the combined sales history dashboard.

### **Supported Processors**

Contact your Apriva Relationship Manager today for a list of supported processors, or email us at [pos@apriva.com](mailto:pos@apriva.com) for questions.
